For Manager
Criminal Records Section
Issued: 27/08/2008

1. This certificate is based upon a check of the National Names Index (NNI) using the name and date of birth of the person referred to above. Given that fingerprints are not taken by police services in Australia in all instances, it is possible that the NNI may contain information recorded against this person under another name or alias.
2. This certificate is issued subject to the various applicable laws, which prohibit the disclosure of spent convictions, except in certain circumstances. Accordingly, the court outcomes disclosed above does not necessarily imply that it is a complete list of convictions or charges in respect of that person.
3. Given that there is an unavoidable time lapse between the recording of convictions by courts and the updating of the NNI, this certificate can only reflect the completeness and accuracy of these systems (subject to the proviso in paragraph 2), at the time of application.
4. Applicants should be given an opportunity to verify the contents of this Certificate.
